

# All-Day Parking Due, for Fee

Torrance merchants, shoppers, and others with business downtown will get a break when a new parking plan is put into operation.

Under the proposal, parking permits will be sold for \$4 a month. These will be good in city parking lots where a two-hour limit is in effect. The plan, recommended by the Traffic Commission, won approval of the City Council this past week.

All that remains is for the details to be worked out. This probably will be resolved by conference between the city manager's office and the city attorney.

The type of stickers will have to be decided, as well as duration of the permits. They might run for a month, quarterly, half-yearly, or annually.

It is doubtful if the plan can be placed in operation without an ordinance, which would have to be passed by the City Council.
